Camping

Rocky Gap State Park

offers 278 individual campsites, including 30 equipped with electric hook-ups. Full

details of every campsite at Rocky Gap are available. The campground also features a dump station, centrally located bathhouses with hot water, a family group site, three youth group camping areas, one boat ramp, boat rentals, laundry facilities, a nature center, game room, private swimming beach and a

camp store. Fourteen mini cabins, each with electric, bunk bed and a double bed, are available for rent. Pets are allowed in four designated camp loops. The family group site offers visitors a location for many units and space for up to 40 people to camp together. The group site includes a two-story mini cabin with balcony, porch, and electric, as well as six electric hookups and a group fire ring. Access to two nearby bathhouse facilities is available.

Things To Do

Western Maryland offers a wide range of activities and enchantments, and there are so many things to do for tourists, families, and locals. Visit the city of Cumberland and discover the C&O Canal Heritage Trail, which includes hiking and biking trails. The Canal Area is also the place for shoppers to get a little retail

therapy, and is home to an amazing number of Maryland art galleries and museums. For those who like trains, the Western Maryland Scenic Railroad is a fun place for kids of all ages to experience Americas rail history first hand.

Rocky Gap State Park is a literal playground for those who enjoy outdoor adventures, and the Adventure Sports Center International presents a whole pack of exciting activities like

white water rafting, kayaking, and river boarding in an awesome controlled water course.
